

## #1 BUS SAFETY RULES

Hey kids...Be cool and follow these rules. Remember, school bus safety starts with you every morning and every afternoon. So just keep these 10 rules in mind. They're easy to learn and simple to follow. And they start before the bus ever stops. So be cool...and follow these rules. First, be on time for the bus. Second, never run to or from the bus. Third, stand back from the curb. Fourth, don't push or shove. Fifth, stay in your seat. Sixth, don't yell or shout. Seventh, always obey the driver. Eighth, wait for the driver's signal before crossing. Ninth, always cross at least 10 feet in front of the bus. And tenth, never crawl under the school bus.
