

1. CLUB MED

Imagine for a moment ... nothing. No clocks. No ringing phone. No traffic jams. No radios. No newspapers. And no crowds. Now imagine a Club Med vacation. An island village where aqua seas brush dazzling white shores. Where lush green palms line wandering paths. A place where evenings are filled with entertainment and dancing. A Club Med vacation is like none other. Ask your travel agent.

2 The Aircraft Situation Display provides information about airplanes flying over the United States at any moment. Each dot on the screen represents an airplane in flight. Can you guess how many airplanes are shown on this map? Touch the answer button to find out. If you guessed 9 airplanes -- you're right! For every one of those airplanes, the ASD knows its identification number, location, speed, direction, and altitude.

3. TODDLER TOWN ZOO

When was the last time you brought your kids to the zoo? Now you can bring the zoo home to them. Toddler Town has a brand new collection of zoo characters, designed to put a smile on every toddler's face. A lovable herd of hippos, a dangerous den of lions, plus monkeys, giraffes, and big burly

bears. It'll keep the little ones happy for hours. So introduce your kids to the ZOO ... from TODDLER TOWN.
