

1. T-Mobile

In June, Nic's Mom made 13 calls to the T ball league hoping to help her shy son make some new friends. There was a group text from the coach asking parents to please monitor their kids sugar intake before games. Nic's dad watched countless videos to try and help his son perfect his swing. There were 11 texts after the second game when a new friend invited Nic over for a play date. His parents shared over a hundred videos of highlights.... smooth dance moves, and the time Jimmy Carlyle stole third.... almost! But when the final out was made the score didn't matter! They put their phones away to watch their son, who finally felt part of the team.
