## **2. Wal-Mart**

I like having the latest of everything.

The latest phone, The latest game system.... The latest TV.

And that's why my new hangout is...

...drumroll please... Walmart.

That's right. I said it.

Hey, they've got the latest from XBOX, Apple, Samsung,....

...they even have Beats by Dre Headphones on rollback for just 169.95.

And unlike those other places, Walmart actually has good prices.

Because really... paying too much is a trend I don't care to keep up with.

Save money. Live better. Walmart.

## **6. BUS SAFETY RULES**

Hey kids...Be cool and follow these rules. Remember, school bus safety starts with you every morning and every afternoon. So just keep these 10 rules in mind. They're easy to learn and simple to follow. And they start before the bus ever stops. So be cool...and follow these rules. First, be on time for the bus. Second, never run to or from the bus. Third, stand back from the curb. Fourth, don't push or shove. Fifth, stay in your seat. Sixth, don't yell or shout. Seventh, always obey the driver. Eight, wait for the driver's signal before crossing. Ninth, always cross at least 10 feet in front of the bus. And tenth, never crawl under the school bus.
