4. Honda

At Honda, we know some people are never happy with the way things are and are always dreaming of how they could be. Smarter. (pause) Simpler. (pause) How-on-earth-does-it-do-that- ...er. And they like it that way. Because things can always be better. We like those people. (pause) They think like us. (pause) Introducing the best Civic sedan yet. Made possible. By Honda.

5. Discoverykids.com

You know when you take your shoes off and have to scratch your feet? Chances are you have fungus on your feet. While you're running around all day in your sneakers, your foot becomes warm and sweaty. This is the human environment fungus love the most. Imagine millions of tiny fungi crawling around, feeding off all the slimy stuff in between your toes? That's right - toe cheese is dinner for fungi. As they bug around eating, they're also dying, breeding, and pooping, which could irritate your skin, making you want to scratch it. Scratching feels good, but washing your feet regularly is better than allowing your foot to be a cafeteria for millions of fungi. To find out more yucky stuff, go to DiscoveryKids.com now.

6. Capcom -- The Magical Quest (for Super Nintendo)

Mickey Mouse, Donald Duck, Goofy and Pluto were playing ball in the park. Pluto goes after a fly ball -- and disappears! Mickey discovers he's been "dog-napped" by the evil Emperor Pete. With his costumes and powers, can Mickey survive the peaks and valleys on the way to Pete's Castle? Only you can save Pluto on THE MAGICAL QUEST for Super Nintendo.
