#### **5. FRIENDLY'S**

When we asked families about their restaurant experiences, everyone complained about hassles with food. Your four-year-old wants "pasgetti" like Mommy makes. Your eleven-year-old demands pizza, pizza, pizza. Your teenager scarfs down fast-food burgers and fries.

While you prefer something a little more on the elegant side. What families need is variety where they eat. That's where Friendly's comes in. Friendly's... America's favorite family restaurant.
